

#### LEGEND AND NOTES

- SET 5/8"x24" REBAR WITH PLASTIC CAP STAMPED 148951
- ROAD RIGHT-OF-WAY LINES
- \*—\*— EXISTING FENCES

THIS SURVEY WAS PERFORMED USING GLOBAL POSITIONING SYSTEM EQUIPMENT AND PROCEDURES. THE BEARINGS ARE BASED ON WGS 84 DATUM.

#### NARRATIVE

This survey was performed at the request of North Crescent Investments for the purpose marking the boundary lines of their parcel of land. The monuments marking the Public Land Survey System corners were found as shown and used to control the survey. Section 30 was originally surveyed by the General Land Office using the "3-mile" method. The descriptions of the parcels lying west of the subject parcel were described beginning at the South Quarter Corner. In order to keep all line lengths as shown in the descriptions the bearings were all ran parallel with the West aliquot part line and South Section line.

#### SURVEYOR'S CERTIFICATE

This is to certify that this plat was prepared from the field notes and electronic data collector files of an actual survey made by me, or under my personal supervision, of the parcel of land shown hereon, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.

Jerry D. Allred, Professional Land Surveyor  
Utah Certificate Number 148951
